Fundraising Tips

IDEAS FOR EVERYONE

- **Start early.** The sooner you start asking for donations, the more time you'll have to grow your fundraising total.
- **Set your fundraising goal.** Give yourself something to aim for. Many people who set a goal raise more than they thought they would!
- **Make a personal donation.** Be the first to show your commitment to animals in need.
- **Start a team.** Ask your animal-loving friends, family, and coworkers to join you in supporting Animal Humane Society and the Walk for Animals.
- **Send emails.** Sending emails is a great way to get your message out. Share your story and include the link to your personal online fundraising page. Don't be afraid to follow up if people don't respond.
- **Reach out on social media.** Send messages and share your fundraising progress on social media. Use the Walk for Animals social app to schedule posts, update your profile picture, and more. Use **#walkforanimals** whenever you post about the Walk.
- **Ask about employer matching gifts.** Many companies match their employees' donations. Ask donors if their company will match their gift, raising twice the amount for animals in need.

GO SOCIAL

FUNDRAISE ON THE GO WITH SOCIAL AND MOBILE

Boost your fundraising and go social by sending messages via Facebook, Twitter, LinkedIn and more. You can even use the app to create a Facebook fundraiser, which links directly to your Walk for Animals fundraising total.

Registered Walk participants can fundraise on the go by sending emails, monitoring their fundraising progress, and updating their personal page via the Walk for Animals mobile apps. Download the app to your iPhone or Android phone today!

IDEAS FOR TEAMS

- **Get organized.** Host a get-together with your team! A coffee break, dinner, or happy hour is a great way to discuss all your creative ideas to collectively reach your team goal.
- **Movie night.** Host a movie night at your home, a local gathering space, or a park for your friends and family. Make some popcorn and ask them to support animals in need.
- **Party with a purpose.** Invite your friends (and their friends) over and charge a few dollars for a good cause!
- **Spare change jar.** Ask your place of employment to put out a change jar for people to drop in their spare change as they pass by.
- **Game night.** Invite your friends out for a night of games, donations, and prizes.
- **Charity night.** Host a charity night at a local restaurant, bar, or coffee shop.
- **Write a letter.** A personal letter always goes a long way. Share your message about why you are walking!

IDEAS FOR CORPORATE TEAMS

- **Collect extra change.** Ask your colleagues if they can spare some change by placing a change jar near a vending machine, lunchroom, or front desk.
- **Prize drawing.** Request a \$10 donation from your coworkers in exchange for being entered into a drawing for gift certificates, prime parking spaces, or tickets to shows or sporting events.
- **Host a jeans/casual day.** An extra “jeans day” is certainly worth a couple of bucks! Offer employees the opportunity for an extra casual day in exchange for a donation.
- **Pie in the face event.** A classic favorite. Make a donation and get a chance to throw a pie — a sweet way to help support animals.
- **Auctions.** Procure or donate items for live, silent, or online auctions.
- **Used DVD/CD/book sale.** Pull your old DVDs and books off the shelf and put them to good use in a company-wide sale.
- **Create friendly competition.** Motivate your crew! Offer a prize to your team’s top fundraisers to inspire each walker to contribute even more to your team total.
